Connection Charges

Where the Network Terminating Unit (NTU) at your home is connected to the FTTH and is cabled through to ports throughout your home, the following setup fee will apply:

- **Basic Setup Fee: Free**

For houses where the FTTH is connected from the street to the NTU, but needs to be patched through to a router/switch in the home, a technician will need to attend. You can hire a

third-party licenced technician, or we can do the Professional Install for **\$200 (plus setup fee)**. This includes travel and one hour of labour, and does not include cabling for the home network itself. Labour after the initial hour is \$165/hour, billed in 15 minute increments.

If you want to transfer your existing telephone number from another network, a **\$99** porting fee will also apply.

OTHER INFORMATION

Early Termination

As this plan is taken on a month to month contract, there are no Early Termination Fees.

Connection Timeframes

Once we've accepted your application, we'll try to connect your service on the date you ask for, however, this might not always be possible. Due to the complex nature of this service, we will aim to connect your home phone within five to fifteen working days.

Billing

We will bill you in advance for the minimum monthly charge and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.
